JOHN MILLER MADE BALL TEAM LEADER

Succeeds Cabrey — Team
Plans New Grandstands
This Season.

WILL STAY IN LEAGUE

Narberth will remain in the Main Line Baseball League this season. Decision was made by unanimous vote Tuesday night at a meeting of the Narberth Club in the Fire House.

John Miller, popular roofer, constable, Rotarian, etc., is president of the club this year. He succeeds J. J. Cabrey, who will be away for a good part of the summer months, and who suggested that he be nominated. Mr. Miller was unanimously elected, following his nomination by Mr. Nash, seconded by Mr. Leitch.

Ralph S. Dunne was nominated for Vice President by Fred Walzer, and unanimously elected. Charles E. Harnden was re-elected Secretary and Treasurer, and Robert Compton, who has ably assisted him in the past, was elected his assistant.

It is hoped that Narberth will have grandstands this year which will be a credit to the Narberth Playground and also to the entire Main Line. Appointed to a committee to provide grandstands were J. J. Cabrey, Daniel Leitch and Charles Harnden.

To secure donations for the coming year from business men, President Miller appointed the following committee: Fred Walzer, Taylor Henry and Charles V. Noel. A Raffle Committee was also appointed, consisting of Eugene Davis, Bert Powell and Charles V. Noel.

Harry Hollar was elected business manager for the coming year, although he was not present at the meeting. Because Harry served so well in the past, Manager Walzer was instructed to see him and endeavor to induce him to accept the position again.

Twilight baseball was decided on at Tuesday's meeting, for at least one game each week—on the home grounds. It was also voted that no games shall be played under the name of the Narberth Baseball Club away from home without the consent of the manager, or where money is divided between the players.

The season ticket contributions of \$5 each should be mailed to the treasurer, Mr. Charles E. Harnden, Box 25, Narberth, and all contributions will be appreciated by the club, the players and the community.

PROPOSE TWO NEW MERION APARTMENTS

Planned for Near Highland Avenue
and Wynnewood Road.

Two new apartments are to be erected in Merion if plans now under way materialize. No permits for the operation have yet been issued by the township, but plans have been submitted to the building inspector for suggestions, and bids on the construction have been invited from various contractors.

Both apartments are to be on the co-operative plan and will be sold to the tenants, not rented, it is said. They will be erected near the corner of Highland avenue and Wynnewood road. One is to cost \$105,000, the other \$130,000. Perry Edmunds is given as the owner of the Highland avenue tract on which one apartment will be built. The other, on Wynnewood road, is proposed for the C. P. McCurdy tract.

Roy G. Pratt, with offices in the Franklin Trust Building, is the architect directing the operation. Mr. Pratt was the architect for the co-operative apartment which was built last year on Conshohocken avenue, Bala, near City Line.

Merion now has one apartment, the Merion Manor, directly opposite the Merion railroad station. Considerable opposition against this developed from Merion residents, when plans for it were first announced.

THIEF FINDS POOR BOX NOT FOR HIM

Priest Had Had Experiences
Elsewhere—Took No
Chances.

WARNED BY ALARM

Church "poor boxes" are not usually guarded by burglar alarms, but they may be upon occasion. The fact that one in St. Margaret's Church, Narberth, is so guarded, led to the apprehension last Wednesday of a sneak-thief, who tried to make away with money contributions which parishioners had dropped therein.

The man entered the church at noon and when he tampered with the "poor box" the burglar alarm rang. Father Robert F. Hayes in charge of the parish, attracted by the noise caught the intruder before he could make his get-away, and turned him over to the police.

The thief first gave a fictitious name and claimed that he was from South Dakota. A bit of clever detective work by Police Lieutenant Mullin, however, established the fact that the man's name was Charles Hamilton and that he had been rooming at 212 South Fifth street, Camden. Further investigation showed that he had been previously convicted of larceny in Washington, D. C.

Given a hearing before Magistrate Kromer in Ardmore Wednesday afternoon, Hamilton was held for a further hearing until his record could be inspected. Monday at the second hearing he was held for Court and committed to the county jail at Norristown in default of \$500 bail.

Rev. Hayes, who is in charge of St. Margaret's, was recently transferred to Narberth from a parish in the coal regions. He explained at the hearing Monday that he had been forced to resort to burglar alarms for guarding the "poor box" by his experiences in the coal region. Sneak-thieves there had repeatedly made off with the poor contributions until the alarm was installed.

ATTENTION, GENTLEMEN!

The regular monthly meeting of the Goodfellowship Club of Narberth Methodist Episcopal Church will be held Monday evening, March 21, 8 P. M., Price and Essex avenues. We will have as speaker for the evening Mr. George T. Kuntzen, who needs no introduction to the men of Narberth. His discourse will be on "Man and the Universe, plus Universality."

All the men of our neighboring churches have a very cordial invitation to be present with us. Come out and hear Mr. Kuntzen. Meet your friends and enjoy the evening with us. Light refreshments will be served.

MOVIE STARTED

Work on the construction of Narberth's new motion picture house and group of stores was started this week when workmen began the demolition of the old residence on the Narberth avenue lot.

At the same time a steam shovel and trucks started the excavation of the large amount of ground which must be removed to bring the property to street level.

Councilman A. Perry Redifer, of 4 Shirley road, died suddenly at his home at 5 A. M. Monday. Mr. Redifer was fifty-nine years of age. His death was due to a stroke.

In Mr. Redifer's death, Narberth has lost a beloved and respected resident, and a citizen of wide civic contacts and experience. Practically every phase of local activity has felt the influence of his interest and counsel.

Andrew Perry Redifer was born in Philadelphia September 22, 1867, the son of Simon S. and Sarah McDaniel Redifer. He received his education in the Philadelphia schools and graduated in 1887 from the University of Pennsylvania, where he was a classmate and friend of former United States Senator George Wharton Pepper.

In the early nineties, he and Mrs. Redifer moved to Narberth, where he immediately took an interest in the civic affairs of the then sparsely populated town. When the Narberth Association was formed to protect Narberth's interests as part of Lower Merion township, Mr. Redifer became its secretary, and served in this capacity until the formation of the Borough in 1895.

The decree of the Courts granting the Borough charter and ordering an election appointed Mr. Redifer an inspector of the election. When Council was organized, he was appointed clerk and served in that capacity for a number of years. In 1905 he was elected a member of Council, a position which he has filled ever since.

At the time of his death Mr. Redifer was chairman of the important Finance Committee of Council, and was nicknamed the "Watchdog of the Treasury" in recognition of his conservatism and common sense in the spending of the funds available for borough use.

Throughout his long residence in Narberth, Mr. Redifer held many posts of importance. He was one of the organizers of the

IN MUSICAL EVENTS

Two Narberth men, neighbors, have figured prominently in Philadelphia musical events this week. They are Harry C. Banks, Jr., and Bruce A. Carey, of Cleveland avenue.

Mr. Banks, organist at Girard college, was one of the two artists who gave a program before a large audience at the college last Sunday afternoon. Mr. Carey, leader of the Mendelssohn Club, is presenting the contralto and bass sections of his chorus in connection with the Philadelphia Orchestra program this week.

The concert, one of the most important of the year, includes a group of songs by Rachmaninoff, presented for the first time. Mr. Carey's singers, under his direction, are rendering vocal parts with the orchestra.

Three other Narberth men figure in the program. They are Gardell Simons, of Wynnedale Road, solo trombonist; Irving J. Bancroft, of Dudley avenue, second violinist, and Alexander Zenker, of Elmwood avenue, first violinist.

Lower Merion High School Principals Tell Parents of Child Problems

The Narberth school auditorium was filled Monday night with men and women eager to listen to Mr. Charles Pennypacker and Mr. E. H. Snow, the principals of Lower Merion Senior and Junior High Schools. The meeting was one in a series arranged by the Mother's Council to bring about closer co-operation between the schools and the homes. The results of Monday's meeting must have been very gratifying to parents and teachers in the opportunity which it gave of mutual acquaintance.

Both men took for their subject the problems presented to Lower Merion High by the Narberth girls and boys, explaining as they did so that similar problems were presented by girls and boys of all

TRAPSHOOTERS TO FORM CLUB HERE

Pursuit of Clay Pigeons to Be
a Regular Saturday
Event.

ALL MEN ARE INVITED

Trapshooting is rapidly coming forward as an outdoor sport in Narberth, with the formation of a permanent club in prospect.

The Narberth Trapshooting Club received its impetus last Saturday when 18 men handy with a shotgun took their turns at the clay pigeons in the field near Gulph road, just north of the borough line. A large area is available, in which it is hoped that shooting will become a regular weekly event.

The new club is being sponsored by J. P. White, Howard E. Davis, J. A. Miller, Pete Miesen and C. L. Jenkins. These men were among the group shooting last week, and have issued an invitation to all Narberth men to join the new organization.

The clear, spring-like weather last Saturday brought out a large number of enthusiasts, many of whom had not used their shotguns for several years. Some very encouraging scores were turned in, nevertheless.

Shooting will be a regular Saturday afternoon event. Anyone interested is invited to look up Mr. White or Mr. Davis for information, or to appear at the field this afternoon.

TO INAUGURATE EARLIER NARBERTH MAIL SERVICE

Local Office Will Begin New Carrier
Delivery April 1.

On and after April 1, 1927, Postmaster J. Bertram Nesper announces that earlier carrier service will be given the patrons of the Narberth Post Office.

Under the present schedule it is universally agreed that the mail is received too late to be of any service, especially for residents engaged in business in another city. With the new system in effect the carriers will leave the Post Office at 7:30 A. M., and a complete delivery of all their mail to be effected shortly after 10 A. M. The afternoon delivery will also be one hour earlier than at present.

Box renters will also be able to get their mail earlier with this new schedule as all first-class mail and papers will be placed in the boxes before 6:30 A. M.

Parcel Post, Stamp, General Delivery and Registry Windows will be open from 7 A. M. to 6:30 P. M.

Money Order Window will be open from 8 A. M. to 6 P. M.

The new schedule of mails is as follows:

Arrival.
3:15 A. M.—From All Points.
6:30 A. M.—From All Points.
10:32 A. M.—From All Points.
11:49 A. M.—Local from Paoli.
12:45 P. M.—From All Points.
1:32 P. M.—From All Points.
3:17 P. M.—Local from Paoli.
4:32 P. M.—From All Points.
6:27 P. M.—Local from Paoli.
Departure.
7:50 A. M.—Penna. Mail and Western.

SPARE THE HUSBANDS

An amendment to the State game laws, providing closed seasons for husband, will be proposed in the Legislature by Senator Boyd, if he follows a suggestion made last week by Judge Harold G. Knight in a speech at Norristown on the Court system.

"Juries are so sympathetic!" the Judge exclaimed. "Nowadays if a woman puts poison in her husband's coffee your average jury will acquit her, for sentimental reasons. 'The hunting season for husband should be restricted to a limited part of the year.'"

DAD'S NIGHT TO BE HELD NEXT FRIDAY

Assistant Scoutmasters Are
Badly Needed by
Troop.

CAMP SITE SELECTED

Fifty-three Boy Scouts answered "present" at roll call during the last meeting in the Cabin. This is the record attendance for the year. In addition to this, there are eight names on the waiting list.

So fast is the work of the organization progressing that an urgent appeal for assistant scoutmasters is being made in a personal canvass of the Borough by the members of the Troop Committee.

At the present time Scoutmaster B. J. Cook has three assistants. The boys are working hard to become "first-class" scouts, as indicated by the fact that in the last two months the leaders have passed upon more than 250 tests in scouting. These include all of the requirements in the national scout manual.

With the carrying out of the summer's program as adopted by the Fathers' Association, it will be necessary to have at least three more assistant scoutmasters and, if possible, five of them. Any young man in the Borough who would like to assist in the work can secure the necessary information from Scoutmaster Cook or E. P. Dold, president of the Fathers' Association.

All plans have been perfected for the so-called "Our Dads" night at the Brynwood Manor Inn next Friday, when the boys, themselves, will be hosts to their fathers. No boy will be permitted to attend without having as his guest his own father, or in his absence, an alternate. A "count of heads" last evening showed replies from forty-three scouts, indicating an attendance of eighty-six persons. This may be increased by the time final reports are received.

A special program has been arranged which, after a few short talks by his Honor, the Burgess, Henry A. Frye, and C. B. Metzger and Fletcher W. Stites, will be conducted by the Scout troop. In addition to this, the coming season's program of activities will be carefully outlined to the fathers of the boys.

The week-end camping activities are progressing rapidly. An excellent camping site along Mill Creek has been selected. It is on the property of Percival Roberts.

KING'S DAUGHTERS

Meet to Make Plans for Operation of
Holiday House This Summer.

Directors of the King's Daughters' Holiday House at Valley Forge and of the Home for the Aged at Narberth met at Witherpoon Hall last Wednesday. Representatives of Circles from Glenside, Jenkintown, Ogontz, Bryn Mawr, Narberth and West Manayunk were present.

Arrangements were made to secure workers for the coming summer season at the Holiday House, where poor children and their mothers are given a free vacation.

Mrs. Fred Derby, of Narberth, who is president, announced that the King's Daughters of Allegheny county had offered to put a memorial in the Holiday House in memory of a faithful member who has passed into the presence of the King.

TWENTY DOLLARS PRIZES OFFERED

Emblem and Slogan Wanted
by Narberth Board
of Trade.

CONTEST OPEN TO ALL

A prize competition, open to any resident of Narberth and vicinity, has been announced by the Narberth Board of Trade. Two prizes, each of \$10 in gold, will be awarded.

One prize will be awarded for the best emblem submitted which can be adopted by the Board of Trade. The other will go for the most suitable motto or slogan—not to exceed five words in length.

The emblem may be drawn in any suitable form. It may be a shield, an oval, circle or rectangle—in fact any shape. It must be usable as an insignia to hang in stores or paste on windows; as a cut for stationery; or as a part of a road sign. The drawing need be made up in only one size, and there is no restriction as to that size.

The slogan must be brief and to the point—expressive of Narberth's business life. Among suggestions of ideas which might be followed out are "Buy it in Narberth," "Narberth's merchants can serve you," "Home stores can be trusted," and dozens of others. Any contestant may submit more than one idea for a design or slogan.

Each design or slogan must be on a separate piece of paper, with the name and address of the contestant pinned to it (not written on it). A record will be made of the name and the idea submitted to a committee of the Board of Trade, who will judge without knowing the names of the contestants.

All entries must be in before April 20. They may be mailed to the Narberth Board of Trade, left at the office of "Our Town" or given to Secretary J. Bertram Nesper at the Post Office.

WOMEN HEAR ABOUT DECORATIVE SALADS

Miss Agnes Brown, of Drexel, Gives
Demonstration and Talk.

Food in one of its most attractive forms was the focus of the Community Club meeting on March 15, when Miss Agnes Brown, of Drexel Institute, gave a demonstration of decorative salads. While her deft fingers created daintily appetizing combinations, Miss Brown chatted informally with her audience, now answering a question, until it seemed more a conference than an expert demonstration.

The usual tea was accompanied by a fruit salad, served by Mrs. C. B. Carson, hostess; Mrs. E. H. Cockrill, Mrs. F. C. Torrey, Mrs. E. C. Griswold, Mrs. H. A. Frye, Mrs. H. A. Jacobs, Mrs. Mary Livingston, Miss M. C. Runyon and Miss Flora Kurzenknebe.

The Nominating Committee wishes to correct an error on the nomination ballot. The asterisk before Mrs. Sutherland's name should be transferred to Mrs. Hongler's. In other words, Mrs. Hongler is not eligible for re-election to the treasurer's position, while Mrs. Sutherland, having served only one term as corresponding secretary, may be renominated.

Mrs. W. C. Newman is giving the fourth of the Hospitality Committee's luncheon-bridge parties at 1 P. M., Friday, March 25, at her home, 439 Anthwyn Road.

The Art Alliance has invited the club to visit its beautiful new home on Rittenhouse Square. If sufficient numbers indicate to Mrs. Bachelor a desire to take advantage of this opportunity, she will gladly arrange a date.

All notices for the April Calendar should be in Mrs. Drew's hands by March 21.

WILL EXAMINE CARRIERS

A clerk carrier examination, for males only, for duty at the Narberth Post Office will be held by the United States Civil Service. Wayne D. Burnside, local secretary, will receive applications to take the examination.

NECKTIE TYLER AND OTHERS

According to the Better Business Bureau of St. Louis, Ernest Howell, who styles himself "Necktie Tyler, the Blind Tie Salesman," is connected with the Mississippi Valley Knitting Mills, now located at 1718 Washington avenue, St. Louis.

The Mississippi Valley Knitting Mills is owned by one Jacob Karchmer, who is well known in St. Louis, where he has an unenviable record as a promoter of questionable schemes. He has been arrested and his place raided in the past. He was born in Vilna, Russia, and is said to hold some radical views. He served in the Marine Corps during the world war, but has been expelled from the American Legion because of conduct unbecoming to a gentleman. Mr. Karchmer's past activities have shown a preference for blind "decoys." Mr. Karchmer was formerly vice president of the St. Louis Knitting Mills.

The Better Business Bureau has just received unconfirmed information that another well-known St. Louis blind man has just signed a contract with still another promoter to entitle him to 20 per cent. of the profits. Because of the success in securing business through an indirect blind plea, the "tie fever" seems to be inoculating the blind and disabled of St. Louis. No doubt the spread of the disease is being speeded with "injections" by shrewd promoters.

We hope that most people will instantly recognize the risk taken in heeding a plea to purchase unneeded merchandise sent by mail. At best, it is an annoying and unethical method of merchandising. When it is used by promoters coupled with a disguised plea for charity or sympathy, it is unusually vicious.

In our opinion the quickest way to rid this country of the newest form of nuisance, the sending of unordered merchandise, is to make the business unprofitable for those engaged in it. The way to make it unprofitable is to cause losses through non-returns.

DEPLORES PIKERS

Interesting Letter Comments on Fire Drive Failure.

To the Editor of "Our Town,"

I would appreciate your publishing the following letter in the interests of the Narberth Fire Association Drive for new members:

"The drive of the Narberth Firemen's Association for a maximum of one thousand members has proven anything but satisfactory, if the record of the 'thermometer' in Narberth, showing 600 members total, is correct. In fact, the record thus far would not reflect credit on a Western tank town of 2000 population, children and dogs included.

"The writer cannot conceive why any man or woman owning property valued at several thousand dollars in the town of Narberth would be reluctant in subscribing to the Firemen's Association at the price of \$3.00 per year, less than 6 cents per week.

"Our Fire Department has proven one of the most highly efficient organizations in the East, whether other organizations be volunteer or paid. Our department is one hundred per cent. volunteer, and for which the members receive no remuneration whatsoever. The active department in the main is composed of

Narberth's active business men, and if they are willing to leave their business during the day to protect your property and leave their beds at night, irrespective of weather conditions, to answer fire alarms, the least that any property owner can do is to subscribe \$3 per year and become a subscribing member of the Association. Supporting membership in the organization entails nothing other than the payment of \$3, and the procedure to become a member is indeed simple: just forward your check to Mr. Walter Cowin, treasurer, Narberth, Penna., and you have become a full-fledged member and have indicated to a very small extent your interest in the town in which you live or hold property. The entire universe dislikes a 'Piker.'"

James W. Darville.

ALSO DEFENDS DOGS

To the Editor of "Our Town,"

How gratifying to read the article in "Our Town" of last week signed M. W. P. in defending the freedom of dogs.

We also feel the friendly dog deserves some consideration, and it has been proven most dogs will not bite or snarl unless teased or abused.

Every owner knows if his is a friendly dog or not, and if each one would guard his dog accordingly more freedom could be enjoyed by all.

All men like dogs, and every man owns one if possible. A faithful, friendly dog is an asset to a home, and they prove their worth in many ways.

In speaking of the destruction in the garden which the dog is credited with, how about the cat—doesn't it do its share?

COMMENCE 17TH SERIES OF LEGION B. & L. STOCK

April 5th is Date—Association is 6 1/2 Years Old.

The seventeenth series of stock will be issued by the Narberth American Legion Building and Loan Association on Tuesday, April 5, at the meeting place of the association, corner of Haverford and Narberth avenues, the office of the Narberth Coal Company.

The association has passed the 6 1/2-year period of its activities without having had to take any action upon any of the mortgages taken as security for loans on property of the stockholders.

The assets of the association exceeded \$206,000 at the close of the sixth year of business. The loans were in excess of \$181,000—on well-secured first and second mortgages.

Stock loans to stockholders amounting to \$21,484 have been made during the same period of activity.

The double shares of stock have been the favorite sellers during the past few years on account of the time in which they mature.

New shares in the seventeenth series may be subscribed to at the office of Mr. Ralph S. Dunne, a director of the association, or at either of the banks where a director of the association is in charge. Mr. J. L. McCrery at the Narberth National, and Mr. William Fowler at the Merion Title and Trust Company. Any of the other directors will be very glad to furnish any information about the affairs of the association.

The entrance fee is 25 cents per share for single shares and 50 cents per share on double shares. The monthly dues are \$1 on single shares and \$2 on double shares.

TRUE, BUT PECULIAR

Isn't it Funny?

That so many Business Men Will get up in the morning Shave with an advertised razor And advertised soap Put on advertised underwear Advertised hose, shirt, collar, tie And seat themselves at the table And eat advertised breakfast food

Drink advertised coffee or substitute

Put on an advertised hat Light an advertised cigar Go to their place of business in an advertised automobile

And Turn down an advertising proposition

On the ground That Advertising doesn't pay!

Have you ever made good on one job.. for 39 years?

THE extra mileage you get from Dunlop tires starts with the fact that Dunlop has had thirty-nine years of tire-building experience—more than any other tire-maker.

Each part of each Dunlop is built right. Dunlop owns its own cotton mills to spin selected long-fibre cotton into the special Dunlop cable-twist cords.

These cords mean extra strength—an added factor of safety against constant load and pounding of roads—longer life and greater mileage.

They mean extra "stretch"—so the tire carcass will give under blows, and come back to its original shape without the slightest injury.

Every Dunlop you buy has extra miles built into it because Dunlop knows each part of its job. That is why we recommend you put Dunlops on your car.

CONESTOGA WAGONS

Recalled to Minds of Rotarians by
Parsons—Nominations.

Civil war days, and the time when Conestoga Wagons, ancestors of the prairie schooner, traveled along Montgomery pike were recalled Tuesday by Luther S. Parsons, addressing the Bala-Cynwyd-Narberth Rotary Club.

Mr. Parsons, one of Cynwyd's oldest residents, and a local historian of marked ability, has spoken to various groups on several occasions during the past year. His talk Tuesday dealt with the old farms and wagon roads which used to make up this section.

In the area including Narberth, Merion, Bala, Cynwyd, Gladwyne and Penncoy, there were but a dozen large farms. Each farm had its spring house and milk route, and milk wagons jogging over the dirt roads formed a large part of the traffic.

There were only a few main roads at that time. The oldest which still survives is Ford road, Cynwyd, which was once called the Indian Trail. Most of the roads at that time led to Ford's, over the Schuylkill, and had used to swim about the horses' legs as wagons crossed the river.

With the advent of the railroad, wagon freight fell into disuse, and gave rise to the several ballads popular at the time. One of these, "The Wagoner's Lament," was sung by the speaker to the delight of the diners.

Nominations for the April 5 election brought forth the following names: President, Dr. Ezra S. Deubler; vice president, Guy Croyle; secretary, James E. Carroll; treasurer, Wm. H. Decker; directors (two to be elected), Fred Walzer, J. A. Miller, L. Stanley King and Robert Boyd.

GIRL SCOUT NEWS

Conducted by Mrs. Vitcor I. Zevlev.

The bugle corps had its first meeting Saturday March 7 at the Narberth scout house. Fifteen scouts from the various troops of the district were present and were most enthusiastic. William Diez, formerly of the United States Cavalry gave instruction in bugling, marching tactics, and the art of being a good drummer. Miss Leslie Perkins, field captain of the district, assisted by Mrs. Gilbert Fox, captain of the Norristown troop were in charge. The lesson lasted two and one-half hours and showed there was good material—and a fine corps would result. The Bridgeport troop, near Norristown, is sending two drummers for the corps. The next meeting will be on Saturday March 19 at 2:30 at the Narberth scout house.

Mrs. W. Thomas, nature expert from Philadelphia headquarters gave the leaders of district eight a lesson in the Girl Scout nature course last Monday evening at the Narberth scout house. There was a full attendance of the officers of the various troops and much enthusiasm was shown. Many nature lovers are being found among them, and Mrs. Thomas is developing more, and more.

Miss Helen Thomas, dramatic field captain of the Philadelphia staff is always ready to help troops in getting up short campfire meetings for parents etc. If troops are getting up a play which requires a great many rehearsals you must make special arrangements with her, especially if it is a play to raise money. Headquarters can arrange to send her troops for from three rehearsals. They are especially glad to do this when a troop has been asked to give a performance in a school before a large group.

Three new Brownie Packs has just been formed in Narberth, Haverford and Radnor. The Narberth Pack is in charge of Mrs. Somers Newman, Brown Owl, and meets Thursdays from four to five at the Narberth scout house. Mrs. Newman has come to our Main Line scouting highly recommended as an Able Brownie and girl scout leader in her home town of Wilkes-Barre.

Cynwyd troop 94, Miss Margaret Robins captain, Polly Phillips scribe, reports that eight girls have finished their course for the Home Nurse's badge and are working for the Red Cross certificate. They are much interested in the troop advancement contest and are studying hard at present on the nature requirements. The troop has recently been given a room in the new Woman's Club of Bala Cynwyd of which Mrs. Walter B. Supplee is president. The scouts are delighted and are furnishing their room in true girl scout fashion. In the absence of their captain, Miss Margaret Robins, who has been on a month's trip to the West Indies, Miss Williamson, Philadelphia director, Miss Perkins, field captain of district eight Miss Gold of the Philadelphia staff have taken charge of the different meetings.

Narberth troop eight, the largest troop in the district has recently been compelled to divide itself into two parts. Mrs. John Nash, the captain, is in charge of the First Class scouts, which are meeting Tuesday evenings at their scout houses. The Tenderfoot and Second Class scouts are in charge of Mrs. Cook, Lieutenant, meeting Tuesday afternoons at the scout house. The troop is one of the most enthusiastic in the district and is composed of about eighty scouts. Their scout house is fully equipped for meetings and entertainment of any kind, and is the "show place" of the district.

SCREENS

Shall they be full height of Window, or lower half only?

Good things can be said in favor of both, but, after all, the satisfactory one is that which serves as a back stop for Mr. Fly, or sometimes his whole family.

There is just about one more month of indoor life before the Spring flowers will need your attention. The most satisfactory material for screens is 1 x 2 White Pine Capping strips. We can cut these to the lengths you specify. Your hardware man can supply the galvanized or copper netting. Then we have a one-half inch Half Round Moulding you can apply over the edge of wire and it will make a neat finish.

Genuine White Pine is so much easier to work, and lasts indefinitely, when properly painted.

Install them in your windows at the opportune time and everybody will be happy except the flies, and they try to be.

See This Amazing
New Shaving Invention
-KRIS-KROSS Strop

Most Surprising Device Ever Patented. Makes A Single Razor
Blade Last Indefinitely And Gives You The Coolest, Slickest
Shaves of Your Life. Nothing Like It Ever Seen Before!

FREE Demonstration—No Obligation

Here is a chance for you to see for yourself the astonishing shaving invention the whole country is talking about. (Probably you've already read about it in Liberty, Colliers and other big magazines.)

Kriss-Kross is so surprising that it is hardly fair to call it a strop. It is really a super-strop or blade-rejuvenator. Fits any kind of safety razor blade (except Durham-Duplex) and

actually gives you hundreds of shaves where you only got one before. It's positively sensational. Kriss-Kross strops your blade with a diagonal stroke—just like a master barber. Entirely automatic. Eight "lucky leather grooves" do the trick in 11 seconds with an accuracy it takes a barber years to learn.

But that's not all. Kriss-Kross strops from heavy to light. It's absolutely unerring. How the pressure gets lighter and lighter every stroke until an automatic jig files up and tells you the blade is ready with the keenest cutting-edge steel can take.

Kriss-Kross will give you the most wonderful shaves of your life. No more expense and bother about remembering to buy new blades! No more "raking" with dull ones! Keep, velvet-smooth shaves forever—that's the Kriss-Kross!

Get FREE Demonstration

Tear out this ad and save it. It will enable you to get a new kind of razor I am giving away FREE to introduce Kriss-Kross strop—and entitles you to a FREE demonstration in your own home. Absolutely no obligation. This offer is limited so clip this out and drop me a postal tonight—or better still, telephone me. Why not do it now?

BAROMETER IS HIGH

Fair skies and a barometer that soared higher than any reading of last month featured last week's weather report of Main Line Observer Charles Decker at Narberth. The temperature excess since March 1 was 17 degrees, although a deficiency of 71 degrees was noted as compared with the same time last year. The temperature leaped from 27 to 67 degrees during the week. The barometer registered 29.54 to 30.54. Precipitation was .31 of an inch.

BALA BOY CHOSEN

Rupert Kessler, Jr., Wins
Competition.

Chosen to represent Lower Merion in the National Oratorical Contest this year is Rupert Kessler, Jr., of St. Asaph road, Bala. He is a junior in the Lower Merion High School.

The semifinals in the contest will be held in April. Finalists will compete for national honors in oratory at the Academy of Music on May 12.

Two debates are scheduled for today between Lower Merion and Abington High School teams. Each school has a home and a visiting team, and debates are arranged to be held at both high schools the same day.

The subject, "Resolved: That the convention system should be substituted for the primary system in Pennsylvania," will be argued by Lower Merion affirmatively at home in the Junior High School auditorium, and negatively by its visiting team in the Abington High School.

Francis Shoemaker of West Conshohocken, editor in chief of the 1927 class annual was named as alternative in case of Kessler's absence.

The contest, which was open to high school students throughout the country, was disputed by the two upper classes of the high school. The senior class was represented by two aspirants to the title and the junior class by an equal number.

The sophomore class wrote essays on the different subjects relating to the constitution, Ruth Snyder winning the essay contest. The seniors and juniors who were in the oration finals were: Grace Lamon, Francis Shoemaker, Robert Kessler and Oswald Smith.

Kessler's oration was entitled "Thomas Jefferson's contributions to the Constitution." Shoemaker's oration was one of the new subjects offered for the first time as material for oratory, "The meaning of the Constitution." The judges of the orations were Miss Cummings of the history department, Miss English of the English department, and Mr. Africa of the social problems department.

LECTURE ON CHINA

Dr. Rufus Jones, Professor of Philosophy at Haverford College and author of a number of well-known books, will speak at the Bryn Mawr Presbyterian Church on Sunday evening on "China." Dr. Jones has just returned from a trip around the world where he gave over 175 addresses before all kinds of gatherings. In China he met nearly every leader in educational and religious work, and held conferences with the great thinkers of that country. There is perhaps no one better equipped to tell of the situation in China today and to explain what the rival factions are standing for. His address Sunday evening is at 8 o'clock.

USES NEW METHOD

The new Eugene Method of permanently waving hair was demonstrated last week at Miss Helen Farrell's Narberth Beauty Shoppe, at 103 Essex avenue. More lasting and natural is this method, which permits only tiny jets of clean, white steam to reach the delicate hair strands. No harsh chemical baths or crude baking are employed in this new process, which is mechanically regulated according to the texture of the hair.

William Good Bartlett, of Narberth, bequeathed his entire estate to his wife, Edith Cecil Riley Bartlett, in a will written May 9, 1921, which was admitted to probate at Norristown this week.

TO ADDRESS GARDEN CLUB

The Garden Club of Bala-Cynwyd will hear a talk on "Rock Bottoms," by Richard Rothe, of Glenside, in the Presbyterian Church, next Thursday.

LAWS MUST HAVE PUBLIC APPROVAL

Lacking This They Cannot Be Strictly Enforced, Judge Tells League.

SCORES DUTY DODGERS

Lower Merion and Narberth men who are active in the new Montgomery County Association for Law Observation and Enforcement were named last week to serve on a Citizens' Advisory Committee, at a meeting in Norristown attended by 150 representatives from all parts of the county.

Benjamin H. Ludlow, of Ardmore, former Assemblyman, and Burgess Henry Fry, of Narberth, which is headed by Rev. Robert J. Gottschall and Dr. Harry Chalfont, of Narberth. The latter, editor of the Pennsylvania edition of the "The American Issue," organ of the Anti-Saloon League, sponsored the meeting.

Judge Harold G. Knight made a strong plea for the teaching of respect and regard for law and the urge of right-thinking people to set a living example for others.

"Enforcement of the criminal law in this country depends upon public opinion, and laws which are not in accord with public opinion are incapable of strict enforcement," the Judge said. "The administration of the criminal law in any community is just as efficient as the people of the community demand and deserve.

Three Types of Laws.

"There are three types of criminal laws," Judge Knight went on. "First, those laws which an overwhelming majority of the people want to see enforced. Second, those which a majority of the people want enforced, and third, those which a majority do not want enforced, or are indifferent about."

"The more spectacular crimes, such as murder, fall in the first class. Prohibition and motorists' road laws are considered as approved by a majority of the people, but not by an overwhelming majority."

"In the third class are such statutes as the law against profane language, selling cigarettes to minors, spitting in public places, and, in some localities, prohibiting certain forms of activities on the Sabbath day. The non-enforcement of these laws is a matter of common knowledge."

A majority of the people do not want Sunday blue laws enforced, but a majority in Montgomery county, at least, does want prohibition enforced, Judge Knight insisted.

Most Are Indifferent.

Commenting on stumbling blocks in the path of law enforcement, Judge Knight mentioned the following:

"Indifference characterizes in general the attitude of the people at large towards the enforcement of the criminal law. They see the law violated, and utter no protest. They complain about the prevalence of crime, but do not lift their finger to help in the detection, apprehension or conviction of the criminal. Many of our foremost citizens are never ready to serve on a jury when summoned, but endeavor to evade service. When crime becomes rampant, citizens will say something ought to be done about it, but never think of doing anything themselves."

"Personal interest in the offender is another fault. Good citizens are against crime in the abstract; they believe in the enforcement of the criminal laws, but not when the criminal is a friend, relative or neighbor."

"Sentimentalism and sympathy are other stumbling blocks, in connection with the trial of offenders. Witness the case of a woman charged with murder. It is almost impossible to secure a conviction by the average jury."

8333 on Penns Pension Roll.

A summary of the operations of the Pennsylvania Railroad System's Pension Department during 1926, being assembled for inclusion in the company's annual report, shows that at the close of the year 8333 retired employees were on the company's "Roll of Honor," receiving pensions. During the year 993 new names were added to the pension rolls, while 765 employees previously retired died, leaving the net increase in the "Roll of Honor" 228.

The total pension payments last year amounted to \$5,175,646; an increase as compared with 1925 of \$413,649. Since the establishment of the pension plan in 1901 the total payments aggregated \$46,319,534.87.

MAP OF ADVENTURES

Gift for Children's Department is Acknowledged.

The library has received this week through the generosity of Mr. Peter Stam, of Rockland avenue, a pictorial and very colorful map which, as soon as framed, will hang in the children's department. This is the "Map of Adventures" designed by Paul M. Paine, of the Syracuse Library, and is similar to the "Map of America's Making" designed by the same man, and already hanging in the children's room.

This "Map of Adventures" bearing the motto, "And blest is he, who follows free, the Road to Anywhere," is intended to be a guide to stories of adventure for girls and boys, and on it are marked the scenes which form the background of many of the stories which they are reading.

On the map may be traced the route of Kim of the Eversight regiment in Kipling's story of that name, and there is marked the spot where Stanley found Livingstone. Hans Brinker's country is indicated and the place where the Grosvenor was wrecked. Tom Sawyer's river seems to have no other name though it is easily identified, and the route of the Cachelot is outlined. Even the Flying Dutchman may be seen in ghostly form in the proper place. It is remarkable how vividly stories are recalled by a simple study of the map and what a stimulus it is to reading and re-reading.

The library is grateful to Mr. Stam not only for this decorative map, but also for his alert thoughtfulness which ever since the library started six years ago, has frequently prompted him to share with the library in a very helpful way the benefit of his contacts with books and publishing houses.

PARENTS MEET

the best needs of the children of adolescent age.

Both Mr. Pennypacker and Mr. Snow gave cordial invitations to all parents to visit the school and become acquainted with the teachers without waiting till trouble had arisen to make the visit a necessity.

Nearly every one in the audience went to the platform to speak personally to the two men to express their appreciation of the opportunity of making acquaintance with those whose names, as Mrs. Aungst, the president of the Mother's Council, said in introducing the speakers were constantly mentioned at dinner tables in Narberth.

The next meeting of the Mother's Council will be held on Monday night, April 11, at the school building, and will be addressed by Mrs. Ellsbree, the school librarian. Her subject will be the books which girls and boys should read in connection with their school work. All residents of the Borough, men and women, are welcome at these meetings.

COUNCILMAN REDIFER CLAIMED BY DEATH

CONTINUED FROM THE FIRST PAGE

Narberth Fire Department and served as its chief from 1909 until 1911, following the term of Tristram B. duMarais. Later he became vice president of the company.

He was a former secretary of the Board of Health and at the time of his death was chairman of the Zoning Commission and secretary of the Recreation Board. He was one of the founders of the Narberth Tennis Club and was a member of the Board of Trustees.

For eighteen years Mr. Redifer has been a director of the Narberth Building and Loan Association. He was also a director of the Narberth National Bank from the time of the organization of the institution.

He was president of S. S. Redifer & Co., Inc., manufacturers of shoe lasts, a concern which had been founded by his father. He was a life member of the Manufacturers' Club of Philadelphia.

He is survived by his wife, Lillian; two daughters, Mrs. Bertha R. Miller, of Chevy Chase, Md., and Mrs. Lillian R. McAdams, of Philadelphia; a son, A. Perry Redifer, Jr., of Narberth, and two grandchildren.

Funeral services were held from

his home Thursday morning and burial was made at West Laurel Hill Cemetery. The Monday meeting of Council was adjourned out of respect to his memory, and the members attended the funeral in a body, as did representatives of the many other organizations to which Mr. Redifer belonged.

At a meeting of the Board of Trustees of the Narberth Tennis Association on March 14, 1927, the following resolutions were adopted:

Whereas, We have heard with deep regret of the sudden death of A. P. Redifer, one of the founders of the Narberth Tennis Association and a member of its Board of Trustees, be it

Resolved, That through his death the Board has been deprived of a wise counselor and a loved and respected friend.

Resolved, That the loss of a man of such sterling worth is a severe blow to all the organizations with which he was connected and to the borough which he so long and ably served.

Resolved, That we extend our deepest sympathy to his family in their bereavement, and

Resolved, That the secretary be requested to enter these resolutions on the minutes of the association and that a copy be sent to the family of the deceased.

Signed, Walter Cowin, Carl B. Metzger and E. P. Dold, Board of Trustees.

SCOUT FATHERS TO BE ENTERTAINED FRIDAY

Jr., who has given the Fathers' Association permission to occupy it. If this movement is approved by the fathers of the boys at next Friday's gathering at the Brynwood Manor Inn, Mr. Roberts' offer will be accepted, and the camp put in order at once. For this feature alone, more assistant scoutmasters will be required.

On March 11 the Maine Line Court of Honor was held in Bryn Mawr for the purpose of enabling first class Scouts to pass tests for merit badges, of which twenty-one are required to become an "Eagle" Scout. The Narberth troop was represented by Keith Parks, who appeared before the court for examination on "Personal Health." He was successful in his test, and will be awarded this merit badge. The next "Court" will be held on April 8, at which time John Miller, Philip Nickerson and Keith Parks will represent the local troop.

Selections of feature actors for

the Scout Minstrels on April 22 and 23 have been made. A professional actor will be secured to coach the boys in this work, which will insure the 1927 "show" being "the best ever."

AN ANNOUNCEMENT

Mothers and friends of the Girl Scouts are invited to meet with the Mothers' Association on April 8 in the scout room of the Community Center Building for an afternoon of bridge and 500.

The officers of the association will be the hostesses. They will be assisted by the leaders of the several scout patrols.

MINSTRELS COMING

The Minstrels are coming! Hurrah! Hurrah!

April 22 and 23 have been set aside for the Boy Scout Minstrels. This annual affair has always "packed" Elm Hall to the doors.

The 1927 "show" will be "bigger and better"—so buy your tickets or reserve them through any Scout, whether he is your own or not.

PENN BAND TO PLAY

In Ardmore March 27 Under Auspices of Orchestra Association.

The University of Pennsylvania Band will be the feature at the fourth concert of the Main Line Orchestra Association, which will be given in the Ardmore Theater next Sunday afternoon, March 27. Adolph Vogel, of Narberth, conductor of the Main Line Orchestra, is also director of the U. P. Band.

The band for this occasion will consist of 60 members chosen from the combined bands of the University. This organization is known to thousands through its performances on Franklin Field.

This concert will give the subscribers of the Main Line Orchestra Association the unusual opportunity of hearing the band in concert program. Clyde R. Dengler, tenor soloist of the University of Pennsylvania Glee Club, will be the soloist for this concert.

You can save time, worry and money by buying in Narberth.

. . PRIZE COMPETITION . .

Two prizes, each of ten dollars, will be awarded next month by the Narberth Board of Trade. Full details are published in the news columns of this issue.

Every merchant knows that Narberth has an unusually fine business district. Most residents know it, too. But we need an emblem and slogan to typify our Board of Trade and business section. Such an emblem will stand for everything we are trying to make of your shopping district.

A design and slogan will be chosen at the April meeting. Have your suggestion in the hands of Mr. Nesper not later than April 20, and you may be one of the lucky winners of a ten-dollar gold piece.
